Admin — Users & Staff Logins

Module: Admin / Users | QSA Industries ERP — Data Entry Reference

Overview

Create and manage staff accounts, roles, reporting lines and designations.

Notes

- Dealer logins are created from Dealer Onboarding, not here.

Fields

Field	Type	Required	Description
Full name	text	Yes	Display name.
Email	text	Yes	Login email (unique).
Role	select	Yes	admin, sales_director, sales_manager, sales_rep, finance, inventory_manager, production_manager, qc_staff, logistics.
Password	text	Yes	Initial password.
Active	boolean	Yes	Inactive users cannot log in.
Reports to	select	No	Manager for org chart.
Designation	select	No	Job title from designations catalogue.

How to feed data

1. Open Internal → Users.
2. Create staff login with role and password.
3. Set reporting line via Org Chart people builder.

Generated for QSA ERP local reference.
