Admin — Dealer Onboarding

Module: Admin / Dealers | QSA Industries ERP — Data Entry Reference

Overview

Bring a new dealer on: dealer master, GSTIN/PAN, credit decision, login, rep mapping, activation.

Notes

- Dealer stays inactive until activated.

Fields

Field	Type	Required	Description
Dealer name	text	Yes	Dealer business name.
Sales region	text	Yes	Region.
Contact / Phone / Email / Address	text	No	Contact details.
GSTIN	text	No	15-char GSTIN.
PAN	text	No	10-char PAN.
Credit limit requested	number	No	Requested limit (not granted).

How to feed data

1. Open Internal → Dealer onboarding → start onboarding.
2. Fill dealer details and submit (creates inactive dealer).
3. Record credit decision, provision login, map rep, then activate.

Generated for QSA ERP local reference.
