Finance — Manual Invoice

Module: Finance | QSA Industries ERP — Data Entry Reference

Overview

Create an invoice manually for an existing dealer, with taxable amount, GST and total. Not tied to an order (order_id is nullable).

Notes

- Manual invoices appear in the invoice register and Tally export.

Fields

Field	Type	Required	Description
Dealer	select	Yes	Existing dealer to tag the invoice to.
Invoice number	text	No	Optional; auto-generated if blank.
Invoice date	date	No	Defaults to today.
Taxable amount	number	Yes	Taxable value.
GST amount	number	Yes	GST value.
Total amount	number	Yes	Total invoice value.

How to feed data

1. Open Finance → 'Manual invoice' panel.
2. Select dealer, fill amounts, submit.

Generated for QSA ERP local reference.
